2001-2002 TOURING SCHEDULE and FEES

Opera A La Carte will tour the following attractions in the 2001-2002 season. Please bear in mind that the fees shown are the “ask” price. Opera A La Carte endeavors to offer a competitively priced product of superior quality. Actual fees are based on the individual presenter and the individual date involved.

“The Mikado” and “HMS Pinafore” - Complete production, fully staged with sets, costumes, chorus (20) and full orchestra (18-25). Easily among the easiest “big shows” to put on, and certainly the most affordable, Opera A La Carte’s full productions “flow as newly minted” from the pens of Gilbert and Sullivan themselves. These two productions will be touring together in 2001-2002:

Texas and Midwest	January and February
South	February and March

Fee: \$24,000 for a single performance*

The World of Gilbert and Sullivan (concert attire) - 5 company principals in concert attire, performing highlights and scenes from as many as 10 or 11 of the Gilbert & Sullivan operettas accompanied by piano.
Fee: \$3,500

Availability: This attraction is not slated to tour in 2001-2002. If you would really like to have it and can interest nearby presenters in it also, we would consider bringing it to you.

The World of Gilbert and Sullivan (costumed) - 7 company principals performing highlights and scenes from as many as 10 or 11 of the Gilbert & Sullivan operettas, fully costumed, accompanied by piano.

Fee: \$7,500

Availability: This attraction will tour Texas and the Midwest in September-October 2001.
